# CARTE DE VISITE

---

The website features a dark, moody design with abstract geometric shapes in white and grey. At the top, the logo 'PRODUCTIONS TOP NOTE' is displayed in a stylized font. Below the logo is a navigation bar with links to 'ACCUEIL', 'SERVICE', and 'CONTACT'. The main content area contains several sections:

- Event Listings:** Three columns labeled 'Évenement' each containing a placeholder image and the text 'Northern Exposure' followed by a paragraph of placeholder text.
- Event Timeline:** A vertical column on the right listing events with dates, locations, and small icons. It includes 'June 15, 2012 Red Summer Party Montreal, Canada', 'June 4th, 2012 Summerburst Festival Stockholm, Sweden', and 'May 21st, 2012 Summerburst Festival Stockholm, Sweden'.
- Photo Galleries:** Three columns labeled 'Photo Galleries' each containing a placeholder image and the text 'Northern Exposure' followed by a paragraph of placeholder text.
- Player and Social Media:** A bottom section featuring a media player showing 'DJ IPowl feat. the only One La ballade des gens heureux' and a duration of '4:35'. Next to it is a social media post from Instagram (@LNhqCthE7) with the caption 'i think it's time for Dionysus to get some serious competition' and a link to 'instagr.am/p/LNhqCthE7/'. The post was made 8 hours ago.
